

Northern Virginia Brittany Club Hunt Test

April 6-7, 2024

We are excited to see everyone at our upcoming hunt test and are busy behind the scenes working to make this event a success for everyone. But to do so, we need a few more volunteers to assist in some key rolls. No experience is needed, and you can volunteer for a half-day, full day or both days. In return, you are eligible to receive free entry for each day you participate.

Please don't hesitate to try something new, as experienced members will be there to support you along the way. The list of volunteer positions and times is below:
